

Excalibershine's Perfect Square.

This is Excalibershine's Perfect Square. A perfect square has 4 sides. All sides are 90 degrees that adds up to 360 degrees making it perfect circle.

It's a double edged sword. Nothing can escape it. Its defence against an enemy who decides to use both sides of the law against you.

Conspiracy

a secret plan by a group to do something unlawful or harmful: a conspiracy to destroy the government.

- the action of plotting or conspiring: they were cleared of conspiracy to pervert the course of justice.

Entrapment

the state of being caught in or as in a trap: the feeling of entrapment grows as the roads close and the power goes out
| nerve entrapment often occurs in throwing sports.

- the action of tricking someone into committing a crime in order to secure their prosecution: his style of investigation constitutes entrapment.

Defamation Of Character

occurs when someone makes a false statement about you that causes you some type of harm. The statement must be published (meaning some third-party must have heard it), false, and it must result in harm, usually to the reputation.

Negligence

failure to take proper care in doing something: some of these accidents are due to negligence.

- Law failure to use reasonable care, resulting in damage or injury to another.
