

Excalibershine means: "All Sun All Moon"

Excalibershine Philosophy

I

Side step, block, and mirror. Your opponents should really get to know themselves.

Example: Multiple companies suck money from one individual at once. I think when an individual sucks in multiple streams of income that makes them a company.

II

Look at what you had to go through to become you.

Example: You become a full grown adult at age 32. Everything that you've ever been through was designed to happen to you. There is more knowledge locked inside of the body than outside of the body.

III

What's that S word? (Sword)

IV

Show yourself, See yourself. Around Me Just Be Yourself

V

A tongue is a double-edged sword. And Justice means punishment or reward. Voices are invisible and ears can hear, activate your senses by closing your doors (eyes)

VI

The secret of energy is motion. (VIKINGS is (VI) Kings)

. VII

LOYALTY IS ROYALTY

VIII

Excalibershine celebrates L.I.F.E (Love Is For Ever)

“What this Excalibershine Philosophy basically means is that, if you go around someone and after a while you don't like them, all that means is that you don't like yourself. Change what you don't like if it makes you unhappy”. You know how

!2

the saying goes: (You are who you hang with, birds of a feather flock together, hang with the crows expect to get shot at. Hang with hawks)
